SELECT PROJECTS

- **Wine and Dine Finderrz**
 - Created a web application using Javascript, HTML, CSS, skeleton framework, and APIs to quickly develop ideas for meal and cocktail pairings based on the user's preferred cuisines and alcohol choices.
 - Maximized user engagement by designing a thoughtful user journey and detailed wireframes in Figma.
 - Created technical requirements and managed tasks in Trello to ensure on-time project delivery.
- **Definitely Not Connect 4**
 - Built a replica of the popular two-player game Connect 4 using Javascript, Node.js, Express.js, Handlebars.js, HTML, CSS, Socket.io, MySQL, Sequelize ORM, and APIs.

EDUCATION

- The Coding Boot Camp - Fullstack Web Development, University of California at Irvine Expected February 2023
- 2 years of undergraduate coursework in nursing, University of Borås, Borås, Sweden

RELEVANT EXPERIENCE

Receptionist, Jeppesen - A Boeing Company, Gothenburg, Sweden

2019 - 2020

- Acted as the liaison with transportation management, established organizational protocols, determined callers' needs, and routed calls to the appropriate personnel to maximize operational efficiency and productivity.
- Sorted and distributed mail and confidential correspondence while preparing statements and invoices.

Receptionist, Tamro, Gothenburg, Sweden

2018 - 2019

- Led appointment scheduling, front desk support, and on-site custom relations to ensure customer satisfaction.
- Managed all documentation, schedules, and data entry to maintain data integrity and ensure accuracy.

Taxi Dispatcher, Taxi Gothenburg, Gothenburg, Sweden

2018 - 2020

- Liaised between 200+ customers and drivers daily to coordinate rides, monitor route changes, and ensure locations were reached as per schedule with a focus on customer and driver satisfaction and retention.
- Developed training programs on in-cab dispatching processes to reduce ramp-up time and increase efficiency.

Apartment Leasing Professional, Adritel, Gothenburg, Sweden

2016 - 2017

- Led customer acquisition and retention by generating sales and providing service to 100+ clients daily.
- Managed and filed reports to quickly address and resolve all leasing inquiries and maintenance requests.
